SUMMARY

Highly motivated and creative B.Tech student with proven experience in graphic design using Canva and a strong foundation in web development. Eager to leverage skills in UI/UX design, visual communication, and collaborative teamwork to contribute to a dynamic design team. Proficient in utilizing design principles to create visually appealing and user-friendly materials. Actively pursuing advanced skills in Figma to enhance design capabilities.

SKILLS

* **Graphic Design:** Canva (Proficient), Figma (Learning), UI/UX Principles, Visual Communication, Branding Elements
* **Web Development:** HTML, CSS, JavaScript, React.js, Tailwind CSS (Supporting Skills)
* **Software Proficiency:** Visual Studio Code, Git, GitHub

PROJECTS

* **Chat GPT Clone:** (https://github.com/apurvavats/Project2) *While not directly graphic design, this highlights your understanding of UI/UX and responsiveness, essential for design roles.* Designed and implemented a clean, responsive user interface for an AI-powered chatbot application using React.js and Node.js. Focused on creating a seamless and intuitive user experience.

* **AgriTech:** (https://github.com/apurvavats/Project1) *Highlight relevant aspects* Designed and developed a user-friendly dashboard for a sustainable agriculture platform, showcasing an understanding of information architecture and visual presentation.

EDUCATION

* **BANGALORE INSTITUTE OF TECHNOLOGY,** Bangalore, Karnataka, India – B.Tech in Electronics and Communication Engineering (Expected Graduation: Sep 2023) – CGPA: 9.63/10
* **DAV PUBLIC SCHOOL, PATNA,** Patna, Bihar, India – CBSE Class 12 – 83.2%
* **CARMEL HIGH SCHOOL, PATNA,** Patna, Bihar, India – CBSE Class 10 – 96.8%

AWARDS AND RECOGNITION

* Awarded 1st Prize for academic excellence (two years)
* Participated in AgriTech Innovation Challenge (received participation certificate)
* Participated in Electrohack (received participation certificate)

CERTIFICATIONS

* C++ Programming Certification, JSpider (15-day hands-on training)

NOTE: The resume has been significantly shortened and refocused to emphasize graphic design skills, even though your main experience is in web development. Given the limited graphic design experience explicitly mentioned, tailoring it to a graphic designer role requires highlighting transferable skills and showcasing your design sensibilities through your web development projects. Consider adding a portfolio link showcasing your graphic design work if available. Also, replace `apurva.vats@email.com` with your actual email address.
